

PATIENT SATISFACTION SURVEY 2017 – INR CLINIC

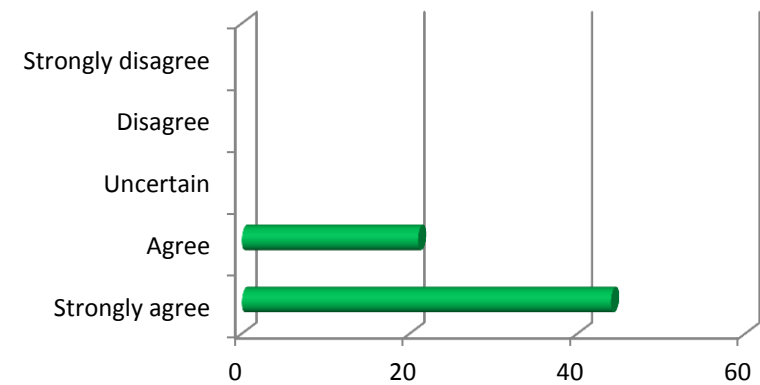

It is easy to contact staff about my treatment

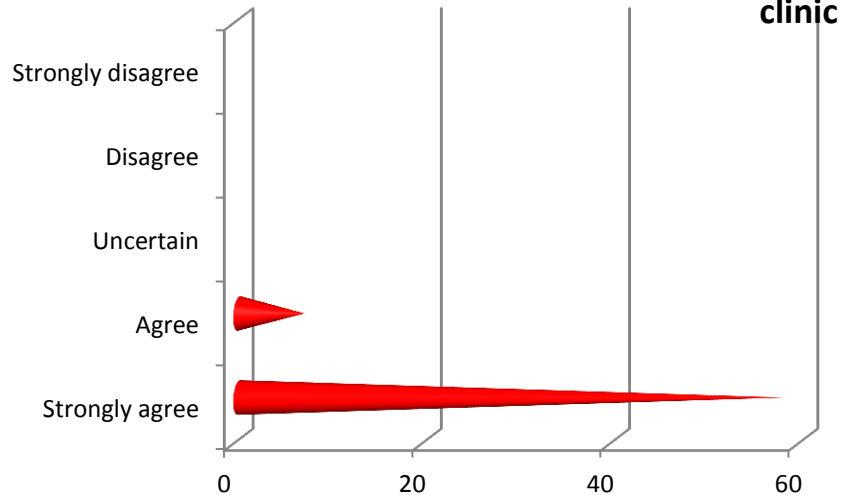

Getting an appointment at a convenient time is easy

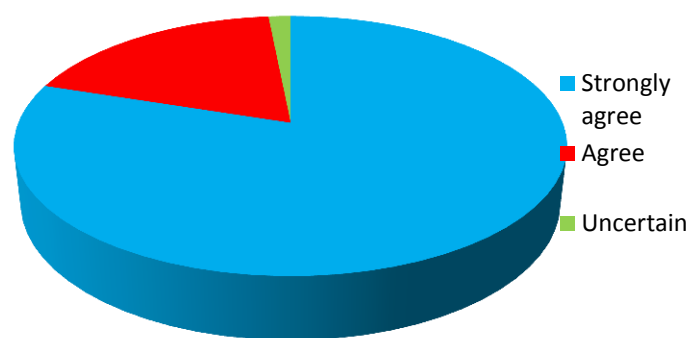

It is important that I am looked after by the staff

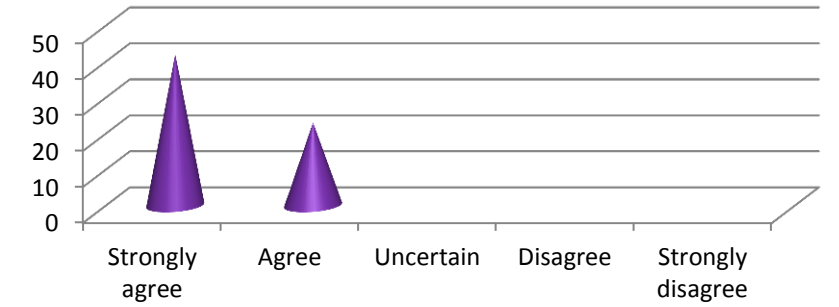

I am happy with the care I receive in the warfarin clinic

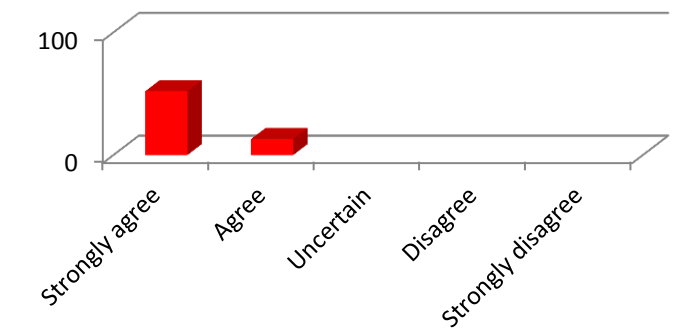

The explanations I receive are easy to understand

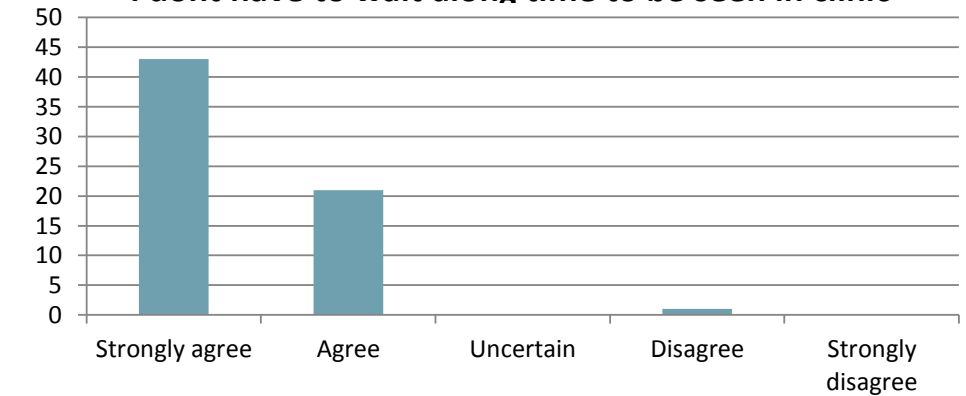

The waiting area is comfortable

The staff listen to me & give me time to discuss my warfarin treatment

I dont have to wait along time to be seen in clinic

I prefer to attend my GP for warfarin checks than visit the hospital
